I GENERAL INFORMATION

The **RECEPTometr** application is produced by PEX Sp. z o.o. with its registered office in Warsaw, detailed information is provided above.

In order to ensure the security of the data of users of the **RECEPTometr** mobile application, PEX Sp. z o.o. has developed this "Privacy Policy", which sets out the rules for the collection, processing and use of user data.

II. PRIVACY POLICY

1. Information about personal data

The RECEPTometr application does not collect, store or process any personal data of users. The use of the application does not require the provision of information enabling the identification of a natural person.

2. Data protection

Although the application does not process personal data, we use appropriate technical and organisational measures to ensure the security of the application and to protect all technical data.

RECEPTOMETR APPLICATION PRIVACY POLICY

3. **GDPR compliance**

The application complies with the provisions of the GDPR to the extent that it does not process personal data. In the event of a change in the functionality of the application that would result in the processing of personal data, the privacy policy will be updated accordingly.

4. **Cookies**

The application does not use cookies or other tracking technologies.

5. **Security**

The application has been designed with security principles in mind, including restrictions on access to system data and protection against unauthorised access.

6. **Third parties**

The application does not transfer any personal data to third parties.

7. **Confidentiality**

All technical information related to the operation of the application is treated as confidential and protected in accordance with applicable security standards.

III. FINAL PROVISIONS

PEX Sp. z o.o. reserves the right to amend the content of this "Privacy Policy", particularly in the event of changes in the laws in force in Poland or the implementation of new technological and IT solutions.
